TERMS AND CONDITIONS

1. Scope of Work

Subcontractor shall furnish labor, materials, supervision, tools, equipment, insurance, permits, and services necessary to complete the scope listed above and any referenced project documents, drawings, specifications, addenda, and approved clarifications.

2. Contract Price and Payment

The contract sum is fixed unless changed by written change order approved by Recon Enterprises before extra work begins. Payment is subject to completed, accepted work, required lien waivers, insurance documentation, and invoice approval.

3. Schedule and Coordination

Subcontractor shall coordinate with the project manager, follow site rules, maintain manpower needed for the project schedule, and promptly notify Recon Enterprises of conflicts, delays, or field conditions affecting the work.

4. Insurance, Licensing, and Compliance

Subcontractor shall maintain required licenses and general liability, workers compensation, and auto insurance. Subcontractor shall comply with applicable OSHA, HUD/MSHDA, Section 3, prevailing wage, occupied multifamily, and site-specific requirements when they apply to the project.

5. Quality, Cleanup, and Warranty

Work shall be performed in a good and workmanlike manner, kept clean and protected, and corrected promptly if defective or incomplete. Subcontractor is responsible for damage caused by its work or personnel.

6. No Assignment

Subcontractor may not assign or subcontract this agreement without written approval from Recon Enterprises.

7. Indemnity

To the fullest extent permitted by law, Subcontractor shall defend, indemnify, and hold harmless Recon Enterprises, the owner, and project parties from claims arising from Subcontractor work, omissions, safety violations, or personnel.

8. Entire Agreement

This short-form agreement, attached scope, approved RFP pricing, and written change orders form the agreement between the parties. Any handwritten or emailed modifications must be accepted in writing by Recon Enterprises.
